News July 2025 202507-6 from Vancouver Community Kirtan / Harreson

## Sat July 19th Community Kirtan and Potluck at Kitsilano Beach 7:00pm

Summer is here and Vancouver Community Kirtan returns to Kitsilano Beach! It will be the weekend of Folk Fest and the fireworks. But have no fear, we've done it before on such occasions - and it was wonderful (just come on the bus/bike and leave before the fireworks end)! Come out for chanting out by the water and to watch the sunset! Hopefully I'll get the spot west of the sidewalk, near that northern rock that has some poetry engraved on it. By donation.

The chant list is:

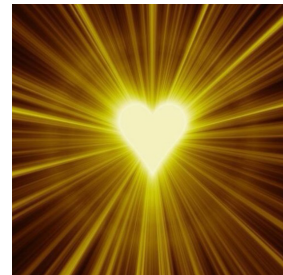

Ganapati Om – facilitated by Rick who is doing his kirtan debut!

Hare Krishna MahaMantra – Harreson

Om Tara Tuttare – facilitated by Kayala/Mona

Shiva Shiva Mahadeva – facilitated by Geetanjali

Lokah Samastah – Harreson

### We've added a new organization to donate to!

I'm so excited to inform you that, thanks to all the energy exchanges gathered at the kirtan events, we have begun sponsoring another organization that helps out needy children in India! International Chandramauli Charitable Trust educates young girls and boys. And they have a focussed program where yoga, meditation, Sanskrit and the Vedic lifestyle is taught.
